

# STAINLESS STEEL

GTC GT6XXXXX series connectors are made in SUS 316, which is a high-quality steel with excellent mechanical properties and resistance to chloride, acid, and salt. SUS 316 connectors are widely used in marine, chemical, medical, and food industries.

## RJ45

**GT625500-D0(S)**

**RJ45 Stainless C3 Shielded Panel Jack Dip Screw with Spanner Nut**

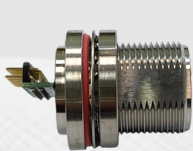

**GT625500-03-XX**

**GT625520-06-XX**

**USB 3.1 Type C Stainless C2 Cable End Plug Screw with Type C Plug**

## TYPE-C

**GT61C300-10(S)**

**GT61C300-20(S)**

**GT61C300-01-XX**

**USB 3.1 Type C Stainless C2 Panel Jack Screw Dip with Spanner Nut**

**GT61C320-01-XX**

**USB 3.1 Type C Stainless C2 Cable End Plug Screw with Type C Plug**
